**CORY & C3**

---

*The place where students are inspired, engaged, and having fun!*

# **SPRING 2017 ENRICHMENT BROCHURE**

**Registration dates: March 6<sup>th</sup> at 9:00 a.m. – March 24<sup>th</sup> at 9:00 p.m.**

**Session start date: Tuesday, April 4<sup>th</sup>**

# ENRICHMENT REGISTRATION—Spring 2017 Session

Enrichment classes brought to Cory & C3 enable students to learn and grow beyond the hours of the school day. We provide a safe and supervised environment, which will provide fun opportunities to learn new skills.

## HOW TO REGISTER:

Enrichment classes will be housed at Cory Elementary beginning the week of Tuesday, April 4th, 2017. (No School April 3rd)

Registration for the Spring 2017 Enrichment session will begin Monday, March 6th at 9:00 a.m. and will run until **Friday, March 24th at 9:00 p.m.**

**ATTENTION PARENTS:** Due to the time and effort it takes to create accurate class rosters for classroom teachers/enrichment providers, **WE WILL NOT ACCEPT LATE REGISTRATIONS.** Please take note of the registration deadline.

Check out the Enrichment page on either school's website for information on registering for classes (C3→ENRICHMENTS or CORY→OUR SCHOOL→BEFORE & AFTER SCHOOL).

**ALL REGISTRATION WILL BE HANDLED ONLINE FOR THE SPRING 2017 SESSION.** You can fill out an online registration form accessible through the enrichment webpage...Sign up (AND PAY!) at YOUR convenience! *Email confirmation for classes and information on paying online will be sent out approximately one week after you register.*

## QUESTIONS?

Please contact Sam Haselden with DPS Department of Extended Learning with any questions or concerns at [samuel\\_haselden@dpsk12.org](mailto:samuel_haselden@dpsk12.org)

## CATALOG OF CLASSES—WINTER 2017 SESSION THE NEIGHBORHOOD CENTER FOR CORY & C3

---

### Fencing with Denver Fencing Center (1<sup>st</sup> thru 3<sup>rd</sup> grade)

Denver Fencing Center is excited to offer our introductory kid's fencing class to the students of Cory and C3. Our Little Fencers class will introduce 1st, 2nd, and 3rd graders to the sport of fencing. Participants will have the opportunity to learn what it takes to become a Jedi, a pirate, or a knight in a safe and fun environment. Fencing fundamentals, such as lunges and parries, will be covered in this course. The instructor will provide lightweight practice equipment, which is specially made for young children first learning the sport. Come join us for this exciting form of physical and mental exercise! Check out more info at: [DenverFencingCenter.com/Enrichment](http://DenverFencingCenter.com/Enrichment). *This class is for grades 1-3.*

Location	Time	Dates	Min/Max # of Students	Price
Cory Room TBA	3:30-4:30 pm	Mondays: April 10, 17, 24 May 1, 8, 15 <b>NO CLASS April 3</b>	4/10	\$130

## Sticky Fingers Cooking

Let your child release their inner chef! Sticky Fingers Cooking offers young chefs the chance to explore exciting tastes (all seasonal and as local as possible!), master culinary skills (that they can put to use in family kitchens!), and nourish their bodies and minds. Our enrichment classes each feature a healthy recipe, emphasize safety and skill building, and encourage environmental awareness in an engaging way. Progressively, children will build upon skills learned from previous classes and by the end of the session, they will have acquired a repertoire of talent to help you at home in the kitchen! We provide all of the tools, ingredients, and instruction needed to cook up a fun, delicious, and healthy (sshh!) snack each week. Our online recipe collection is included as well for each chef for future family cooking fun! [www.stickyfingerscooking.com](http://www.stickyfingerscooking.com)

## Sound Formation: Rhythm & Drums

Hand-percussion is incredibly powerful, fun, and a great way to connect and grow with friends. You will be amazed at how your rhythm on percussion, will transfer over to piano, violin, and any other instrument. Our curriculum is simple, comprehensive, and delivers amazing results in a short time. The atmosphere is one of strategic games, enhancing creativity, having fun, growing listening ability, developing attention, and strengthening learning ability. We'll have an incredible performance on the last day. Workbook and materials included. Our staff is compiled of outstanding music educators with music degrees and extensive teaching backgrounds. For more information visit: <http://soundformationmusic.com/after-school-class/>

## Yoga with Radiant Beginnings

Our classes for elementary-aged children develop a child's awareness of breath, body, and mind. Our unique approach is always both fun and educational, benefitting children of all personalities and learning styles. All sessions are interactive bringing postures, brain games, and breath work together to help children build a toolkit for stress management. Your little yogi will develop social skills, strength, flexibility, confidence, and mindfulness. We strive to strike a balance between group activities and individual exploration. Come play!

## Quick Start Tennis with Stapleton Tennis Academy

Quick Start Tennis is a fun and fast way to get playing right away. Bigger balls and smaller racquets enable kids to have a greater chance of success on the court from the start. Classes will be taught by Jordan Lutz, a U.S.P.T.R. certified professional with 15 years of teaching experience. Racquets will be provided for those in need. Tennis shoes or sneakers are mandatory.

Monday class is for grades K-2 and Friday class is for grades 3-5.

## Pi Q Math (1<sup>st</sup> thru 5<sup>th</sup> grade)

The Pi Q Math camp at Cory is packed with everything you love about Pi Q Math! Each child will work at their own individualized level and at their own pace in a fun, playful environment towards becoming powerful users of mathematics. Your child will: become smarter and faster with mental math; think logically and spatially while playing with puzzles designed to strengthen a child's reasoning skills; think creatively while challenging their understanding of numbers and number operations through our whole number and fraction curriculum.

Children in 4th and 5th grades with strong fluency and problem solving skills can try the Math Olympiads, an international competition in math problem solving. Your child's confident with Math Olympiad problems is a very good reflection of their deep and flexible understanding of the foundational math concepts typically covered in the elementary school years. Kids will participate in 5 contests administered throughout the school year during the camp time and at Cory (no travel required). All kids who participate in all 5 contests will receive a special recognition for their work at the end of the school year.

This class is for grades 1-5.

## Art for Life: Sculpture & Crafts

In this class, you'll be doing drawings, paintings, and sculptures! Expect fun & unique projects seen nowhere else. Our instructors are award winning artists that love teaching kids. Your child will have fun creating art, while learning problem-solving and critical-thinking skills. We believe art gives a child confidence and builds their self-esteem. Our classes build a community of friends that grow together doing art.

Location	Time	Dates	Min/Max # of Students	Price

## Woodworking with Woodshop Wizards

Woodshop Wizards is an after-school woodworking program that offers hands on creative learning, self-confidence and group interaction skills. The students learn to build detailed wooden assembly projects, as well as gain knowledge and the safe use of essential hand tools. The children learn in a positive, enjoyable environment with their peers and create a project that they will take home to treasure. *Now offering TWO classes!*

## Young Rembrandts: Drawing

It's spring time and that can mean only one thing: SPRINGTIME FUN WITH YOUNG REMBRANDTS. If you think your student is a budding architectural genius, he or she will love our city skyline lesson. Learning to develop and apply patterns is the focus as our artists venture out into the wild as they create an intricate zebra drawing. Later, our students will learn about cool and warm colors with the patterned flowers lesson and realism with the London Bridge and our art history lesson focusing on Gustav Klimt. Sign up today!

## Omniform Karate

Omniform is martial art that develops the mind, body and the character of the student. It's a blend of Tae Kwon Do, Karate, Boxing and Yoga. The intention of the training is to empower the student to consciously and deliberately develop his or her own unique power - a power of self-confidence, strength and leadership that attracts positive experiences around them. We welcome students with no martial arts experience as well as students with previous experience. The cost of a uniform, jump rope and gear pack and study guide is \$72, which you can purchase directly from the instructor. Missed classes can be made up at our studio location.

## City Strings Guitar

In this multi-level course, the focus will be on seriously having fun while learning the basic guitar skills for beginning and intermediate students. Beginner students will be taught basic chords, how to read basic tablature and chord diagrams, simple songs, and strumming patterns. Intermediate students will build on what was learned in the beginning guitar class including more chords, reading tablature, playing and writing songs, and more advanced strumming patterns. Bring in your acoustic guitar for each class. *Guitars may be rented from City Strings or from Folklore Center for this class—please request rental information on registration paperwork.*

## Skateboarding with Skatestart

Get ready to have a blast skateboarding with Skatestart at Cory and C3. You'll get instruction from the leader in skateboard programming and over 28 years skateboard experience (not to mention your instructor taught Tony Hawk's son, Riley). In this awesome after school program you'll learn new tricks, make new friends, gain better balance, and most importantly, have a blast! Skatestart provides their patented skateboards and helmets in the program. You'll just need a smile and some good shoes. So, sign up today and let's get rolling!

## EUREKUS: STEAM-Powered Discovery (2<sup>nd</sup> thru 5<sup>th</sup> grade)

Come explore STEM through Art & Making: Eureka is an award-winning STEAM and Maker program developed by teaching artists and NASA consultants. Students have a blast becoming "Artist Explorers" to investigate how their world and universe works. Imaginations are charged as learners investigate science and engineering with a host of cool fine art and Maker-based projects. From sculpture and simple machines to high-tech creations, students enjoy working hands-on with visiting artist mentors while engaging in creative problem-solving. Throughout, students gain great foundations in Earth and space science, history, engineering and emerging technology while having loads of fun! *Projects include: NASA STEAM programs, fine art projects, kinetic sculpture, tech inventions and more!* **US2020 STEM Mentoring Awards Finalist 2015;** [www.eurekus.org](http://www.eurekus.org)

*This class is for grades 2-5*

---

## Movement Madness

Calling all students who enjoy playing sports and games! Whether an athlete or beginner, participants will have a blast while learning and practicing a variety of sports skills through drills and fun games in a non-competitive environment. The drills and games played will improve your child's flexibility, speed, ball handling skills, catching, throwing, kicking, hitting, balance, hand eye coordination, self-confidence, and their ability to work together as a team. The kids will have fun practicing their skills in the drills and then put what they have learned into play in the games.

## Challenge Island

Challenge Island is a one-of-a-kind enrichment program on the cutting edge of S.T.E.A.M. (science, technology, engineering, art, & math) education and 21st Century Learning. We take children on a unique "island" adventure where they work in collaborative tribes to take on various STEM/STEAM challenges using only the materials in their treasure chest and their creativity. At Challenge Island, we embrace children's innate imagination by creating an environment where creativity blooms. Our whimsical themes create a kid-friendly context that inspires a unique breed of innovation and invention – one that is both unexpectedly complex and perfectly child-like.

Location	Time	Dates	Min/Max # of Students	Price
Cory Room TBA	3:30-4:30 pm	Fridays: April 7, 14, 21, 28 May 5, 12, 19	8/20	\$92

## Golf Squad (NEW this year!)

Golf Squad (K-5th) is for children ages 6+ (depending on reading ability, maturity, and/or dismissal times) and is offered during your school's Fall/Spring Semesters. It is a seven week, after school club that meets once a week for an hour with a golf industry professional. All participating families receive weekly emails detailing what students will be doing and learning in class. All class essentials are provided (Golf Squad Handbooks, training equipment, ALL golf clubs, etc.). Each student receives Golf Squad Handbooks and Golf Squad visor to keep. Simply show up and enjoy building the foundation to enjoy golf for a lifetime!
