Students will learn old school as well as the trendy hip hop style of today, all while emphasizing each dancer finding his/her own individual swagger and style through improvisation. Hip Hop is a fun, high-energy way to express oneself in a big way!

Creative Dance Kids classes strive to foster each child's creativity and determination while nurturing his/her capacity to take risks, to strive freely, and to take pride in success.

Students should wear comfortable clothes and sneakers.

Omniform is martial art that develops the mind, body and the character of the student. It's a blend of Tae Kwon Do, Karate, Boxing and Yoga. The intention of the training is to empower the student to consciously and deliberately develop his or her own unique power – a power of self-confidence, strength and leadership that attracts positive experiences around them. We welcome students with no martial arts experience as well as students with previous experience.
